TOP 3 Health & Safety Orders *written by Officers*

Hazardous Materials
OHS20.112(2)

Before work begins on the demolition or salvage of machinery, equipment, a building or a structure, or the renovation of a building or structure, all employers responsible for that work, and the owner, must ensure that a qualified person inspects the machinery, equipment, building or structure and the worksite to identify the hazardous materials, if any.

General Duties of Employers
WCA21(C)(e)

An employer must provide to the employer's workers the information, instruction, training and supervision necessary to ensure the health and safety of those workers in carrying out their work and to ensure the health and safety of other workers at the workplace.

Stop-Work Orders
WCA90(1)(a)

The Board, in accordance with subsection (2), may order that work at a workplace or any part of a workplace stop until the order to stop work is cancelled by the Board.
