

Fully Certified Concrete Pump Operator List

Updated: **April 8, 2024**

The individuals listed below have achieved fully certified status on one or more CCPO pump types. Please note, individuals listed multiple times denote the individual certifications they hold, which may have different expiration dates.

*If you are an operator listed with "Unknown Employer", please log into your CCPO portal account to update your information. You will need your WorkSafeBC account number to verify your employer. If you are a company representative, you can email ccpo@bccsa.ca and provide a list of your operators, as well as your WSBC account number, and BCCSA will update your operators' information for you.
