2

4

COR®
Internal Auditor Training
Student Audit Assignment
NCSO® applicants: Required
NHSA™ applicants: Not Required

5

As your **final course** in the NCSO®/NHSA™ program, take:

BC CONSTRUCTION SAFETY LEGISLATION & ADMINISTRATION

This means taking this course after all BCCSA, Approved Provider and Elective Courses are completed.

This road map is designed to assist NCSO® or NHSA™ participants in determining the order they should take the courses required to complete the NCSO®/NHSA™ programs. The course requirements are the same for both designations. BCCSA strongly recommends that students complete the courses in the order numbered below, with added compulsory and elective courses as instructed in the blue area.

Courses taken with

**APPROVED TRAINING
PROVIDERS**
(Compulsory & Electives)

**APPROVED PROVIDER
COMPULSORY COURSES**
(Complete both, any order)

- ▶ **FALL PROTECTION**
- ▶ **BASIC FIRST AID**

ELECTIVE COURSES

(Complete any 2, any order)

- ▶ **BCCSA TRAFFIC CONTROL PERSON TRAINING (TCP)**
- ▶ **CONFINED SPACE**
- ▶ **GROUND DISTURBANCE 201 (BRITISH COLUMBIA)**
- ▶ **RESPIRATORY PROTECTION AND FIT TESTER**
- ▶ **ROADREADYBC (BASIC OR COMPLETE)**
- ▶ **TRANSPORTATION OF DANGEROUS GOODS (TDG)**
- ▶ **UTILITY LOCATING SPECIALIST TRAINING**
